PUPPY HEALTH/CONTRACT

The Breeder Agrees:

That this puppy is in good health at the time of sale. The buyer will have 72 hrs in which to have the puppy examined by their own veterinarian. If the puppy is found to be ill by a licensed veterinarian and needs to be returned due to illness, a letter from the veterinarian is required. This includes death or illness from any health condition deemed to be present prior to the leaving the seller's premises. Buyer shall assume any expenses associated with returning the puppy to the seller. The seller will, at the seller's discretion, refund the purchase price, return the dog to the buyer in healthy condition, OR exchange the dog for another dog of equal value. At no time and under no circumstances will the Breeder be responsible for any veterinary expenses incurred by the buyer.

This animal is warranted against FATAL GENETIC Defects for 1 year from the date of purchase. Should this puppy be determined to be suffering from a fatal defect deemed to be hereditary (within 1 year from the date of purchase), breeder will replace the puppy with one of the same value when one is available after notification and written verification has been furnished to the Breeder by TWO independent veterinarians. The breeder will not be responsible for any veterinary costs at any time.

We cannot guarantee that your puppy will never develop any health problems, just as a pediatrician cannot guarantee that a child will never develop any health problems in the future. Some things are just not able to be predicted. Our parents are free of diseases, disorders, and health problems; otherwise we would not breed them. That means our puppies are less likely to develop problems. If anything does occur, you are required to inform us so we can evaluate the parents and the other puppies from that litter in an attempt to determine the cause of the ailment and to eliminate the issue from our breeding program.

The Breeder states that the puppy has received vaccines in accordance with their family veterinarian as of the date of the adoption. The attached schedule of vaccinations and treatments is required to be maintained by the purchaser to be in compliance with the 1 year health guarantee.

The Buyer Agrees:

That this puppy will be given adequate and proper shelter and housed securely indoors. This dog shall not be neglected, allowed to roam free, or be mistreated in any manner. The puppy shall receive proper veterinary care throughout its life, receiving annual inoculations and placed on a heart worm preventative. The puppy shall receive proper nutrition and care shall be taken to maintain its proper weight. Buyer agrees to give the dog proper training and socialization. Buyer agrees to never sell or surrender this dog into a dog fighting institution, testing center or shelter.

The Buyer agrees to finish all puppy vaccines before taking their puppy out in public, letting their puppy on public sidewalks and grasses, or letting their puppy be touched by people outside of the family. This reduces the chance of your puppy picking up a communicable disease such as parvo. The Breeder is in no way responsible for any acquired diseases, traumatic induced

injury, illness or injury caused by nutritional neglect, disease related to old age, or anything else not specifically guarantees are null and void.

The Buyer agrees to spay/neuter the puppy at the age their Vet recommends, and provide the seller documentation. The seller recommends waiting until the puppies growth plates have closed if possible.

We do not give breeding rights for our puppies! No exceptions!

The Buyer agrees to return the dog to the Breeder if for any reason the Buyer no longer wants to or is unable to keep the dog. Breeder agrees to either assist Buyer in finding another suitable home where the dog will receive proper care or to accept the doback at any time with no refund to be given to the Buyer as Breeder would accept responsibility for the dog and will be responsible for the future cost of care including vet care and training. The Buyer will notify the Breeder of any changes of address and will maintain contact with the seller throughout the life of this dog.

- By signing below, both parties, Breeder and Buyer, agree to abide by the contents of this contract.
